1. All fees are quoted in Australian dollars including 10% GST.
2. Eligible cardholders are entitled to a 35% discount on Core Services only.
3. Installation fees include participant training and set-up.
4. Applicable to installation into hybrid, electric or other non-basic vehicles with specialized ignition or starter circuits. Does not include charges for DTS sensor, PTS sensor or OBDII reader; purchase may be required in some installations.
5. Monthly charges are calculated and paid for in advance of the services performed. Scheduled calibration is included.
6. Remote services fee does not include shipping charges.
7. Cancelled / missed appointment charges apply if not rescheduled 24 hours in advance.
8. Participant is responsible for damage to the interlock device. Participant can limit exposure in this regard by purchasing the optional Loss Protection Plan. Security deposit is required if the Loss Protection Plan is declined.
9. Price for components not listed will be provided in advance.
